Dear Mr. J. Clark McAbee,

I am writing this letter in support of the grant application submitted by Museums of Lake County California for a life-size statue featuring a Pomo Indian Family.

Lake County Tribal Health Consortium is comprised by representatives of six local federally recognized tribes that sit as the board of directors. We at Lake County Tribal Health recognize the importance of cultural preservation and support initiatives such as the installation of a statue that will symbolize the cultural beauty and history of the Lake County Pomo Bands. We only recommend that all local federally recognized tribes are made aware of the initiative and counseled for feedback.

Sincerely,
